

## Broker Fee Deduction

It is not a condition of our mortgages that any broker fees are payable. Any broker fee is a matter for agreement between you and your broker. Your broker will be acting as your agent. By signing this declaration you acknowledge that we will pay the broker fee detailed below direct to your mortgage broker on completion.

If your broker is not the intermediary who submitted the application to Hampshire Trust Bank Plc, we will pay any broker fee to the submitting intermediary and not direct to your broker. The broker fee will be deducted from the mortgage advance.
