WHAT'S THE INTEREST RATE?	ANNUAL INTEREST (VARIABLE / TAX FREE)		
	GROSS	AER	
Effective from 12 February 2025	3.40%	3.40%	
<p>Interest is calculated daily on balances of £1 and over. It's paid on the anniversary of the date we received your first deposit, and then annually after this – or on closure if that's sooner.</p> <p>If the anniversary falls on a weekend or a bank holiday your interest will be credited on the next working day.</p> <p>AER means Annual Equivalent Rate, which illustrates what the interest would be if it was compounded annually. Gross is the interest rate without the deduction of income tax. Interest is paid gross to your account.</p>			
CAN HTB CHANGE THE INTEREST RATE?	<p>The interest rate is variable, so we can change it at any time.</p> <p>There are two types of variable rates, 'managed' and 'tracker'. This is a managed variable rate, which means it is set by us and can rise or fall at any time.</p> <ul style="list-style-type: none"> • If we increase the interest rate, we'll make the change and let you know. • If we reduce the interest rate, we'll let you know at least 30 days before.
