SUMMARY BOX

ACCOUNT NAME 95-Day Online Notice Tracker (Issue 1)

WHAT'S THE INTEREST RATE?

Effective from
13 November 2025

ABOVE BASE RATE

The interest rate is variable and tracks at the fixed 'margin' above the Bank of England (BoE) base rate. Interest rates above are based on the BoE base rate. Today's BoE base rate is 4.00% and you can monitor the latest base rate on its website at bankofengland.co.uk.

If the anniversary falls on a weekend or a bank holiday your interest will be credited on the next working day.

AER means Annual Equivalent Rate, which illustrates what the interest would be if it was compounded annually.
Gross is the interest rate without the deduction of income tax. Interest is paid gross to your account.

CAN HTB CHANGE THE INTEREST RATE?

The interest rate is variable, so it can change at any time.

There are two types of variable rates, 'managed' and 'tracker'. This is a tracker variable rate, which means it moves down and up in line with the BoE base rate.

If the base rate changes, the new interest rate on your account will apply without notice, no more than 5 business days following a change in the base rate. You'll not be notified of this change.

The interest rate on this account will never drop below 0.00%.

We may vary the margin:

- If we decrease the margin (decrease your rate), we'll provide you with advanced notice of the change equal to the notice period on your account or 30 days, whichever is greater, plus an additional 14 days (e.g. we would write 109 days in advance of a rate decrease on a 95-Day notice account).
- If we increase the margin (increase your rate), you will be given less notice.
